holdings

PE 70.273

The European Parliament,

- having regard to the current discussions on reform of the Common Agricultural Policy,
  - having regard to the necessity of basing discussion on complete information on the number of farms, their type of activity, their size, income and costs, without however delaying the discussion,

  2. Insists upon the necessity of updating this information with results based on the 1977 and 1979 Farm Structures Surveys;
  3. Instructs its President to forward this resolution to the Commission.
